EDUCATION

University of the Philippines Diliman

Feb 2026 – Present

B.S. Civil Engineering (Continuing Student) – Expected Graduation: **July 2027**

Light academic load starting Aug 2026: Thesis I & II + 1 major + 2 PE subjects. Fully available for full-time work.

EXPERIENCE

Swinnerton-Staten Solutions, Inc.

May 2024 – Jan 2026

Junior Data Analyst

- Extracted and analyzed operational data using Excel and CRM tools, delivering insights that improved workflow efficiency by 12%.
- Performed rigorous data quality checks on client databases, ensuring 99% data integrity.
- Created weekly performance dashboards and reports to support strategic decision-making.
- Collaborated with cross-functional teams to reduce manual data entry time by 20%.

Diliman Labs

Sep 2022 – Mar 2023

AI Data Operations Specialist

- Prepared, cleaned, and validated datasets for machine learning models, achieving 99.5% accuracy across training sets.
- Executed data annotation and labeling guidelines, resolving ambiguous cases through systematic quality audits.
- Audited data integrity across systems and documented process improvements.
- Worked with data engineers to refine annotation protocols, directly improving model performance.

Private Tutoring Practice

2019 – 2024

Academic Tutor – Mathematics & Sciences

- Tutored a student from Grade 7 through senior high, achieving 100% admission success to UP Diliman, Ateneo, and DLSU.
- Developed customized learning plans and transitioned instruction seamlessly to online platforms.
- Emphasized deep conceptual understanding over rote memorization.

Concentrix (AT&T Account)

Feb 2022 – Aug 2022

Customer Service Representative

- Resolved complex billing and service issues using systematic problem-solving and Salesforce CRM.

- Managed escalations and tracked customer data to identify recurring service issues.

Primeart Builders Inc.

Jun 2018 – Jul 2018

Assistant to Site Engineer (OJT)

- Supervised quality control for tiling, plastering, and ceiling work on a 5-storey school building.
- Documented daily progress of structural elements and verified fixture installations.

TRAINING & PROFESSIONAL DEVELOPMENT

Online Intensive Program

Mar 2024 – Dec 2024

Japanese Language & Nursing Care Training

- Completed a 6-month rigorous online program focused on technical Japanese vocabulary and caregiving protocols.
- Passed the **Nursing Care Language Evaluation** and **Nursing Care Skills Test**.
- Concluded with a comprehensive final capstone assessment in August 2025, validating clinical communication skills.
- Balanced training alongside full-time data analyst responsibilities, demonstrating strong time management.
